DISCLAIMER: This publication is for informational purposes only and should not be considered financial advice. The content does not consider the specific needs of individual NDIS participants or providers and should not replace professional advice. All data is accurate as of 1 July 2024. Please consult a professional for tailored advice.

-Community activities help participants engage with the community and develop skills, but transport costs for therapy or medical appointments aren't included.

-If a provider transports multiple participants, the cost per kilometer will be divided equally among them.
